Worldwide Marriage Encounter If our Lord Jesus was tempted by the devil, how much more will we be tempted in our marriage! The Marriage Encounter is a unique opportunity for married couples of any age who want to strengthen their relationship and grow together in all aspects of their lives. During the weekend experience, spouses learn how to improve their communication, discover more about each other, and work on areas of their relationship that need attention. There is no group discussion. With the guidance of three couples and a priest, each couple works alone in the privacy of their room. Live your best life in love!
